

Procedure to upgrade software on a ScanPro 1000 with Auto-Scan

1. Navigate to the PowerScan folder “C:\Program Files\PowerScan” (32-bit Operating System) or “C:\Program Files(x86)\PowerScan”(64-bit Operating System).
2. Copy the file key.lic, and paste it to the desktop.
3. Uninstall the current PowerScan software.
4. Download and install the new software from the website.
5. Navigate to the PowerScan 1000 folder “C:\Program Files\PowerScan 1000” (32-bit Operating System) or “C:\Program Files(x86)\PowerScan 1000” (64-bit Operating System).
6. Copy the file key.lic from the desktop and paste it into the PowerScan 1000 folder.
